Please have the ASAs that you supervise check their files to determine whether any of the following officers are witnesses on any pending cases: Chicago Police Sgt. Jay Padar, Star# 1210, Chicago Police Officer William Prunte, Star# 16114, Chicago Police Officer Vince Morgan, Star# 5198, Glenview Police Sgt. Theresa Urbanowski and Glenview Police Officer James Horn.

In addition to the ASA search, MIS is conducting a search of CRIMES to determine whether

any of these officers is a witness on any pending felony cases. Once I have the results of that search, I will forward the results to you.

If any of the officers is a witness on the case please determine whether the case can be proved without calling the officer as a witness. If the case cannot be proved without calling the officer as a witness, please nolle the case. If the case can be proved without the testimony of any of the officers, you should proceed on the case.

If you have a case where we cannot proceed without any of the officer's testimony and the case is a violent crime, involves death or serious bodily injury, or is a case where you or your ASAs feel that the case should go forward please contact Fabio or me prior to taking any action. Also, please have your ASAs keep track of how many of these cases they have and how many of those cases were dismissed.

If you or your ASAs have any questions, please call me. Thank you.
